

## CREEK CLASSIC 2019

Dear Friend,

We are thrilled to invite you to participate in the 23rd Annual Creek Classic Race, which is scheduled for March 2, 2019. Last year's race attracted over 1500 runners from all over the state, and this year we are anticipating even more!

What makes Creek Classic such a great race is that it is an event our entire Deer Creek community can rally behind to support the students in our district. It is the single largest fundraising event in the district, and its proceeds benefit every single school, elementary through high school. In the past, we have had a portion of the funds raised go to causes like Backpack for Kids and this year is no different. This year's worthy cause is our Deer Creek Transition Center.

The Deer Creek Transition Center (DCTC) is the first of its kind. Its focus will be on providing support and assistance for our special needs students and helping them learn to live and work independently. DCTC is scheduled to open for the 2019-2020 school-year and will service students with disabilities from middle school through graduation. Students will be able to gain real-life experiences in a safe environment.

You may be thinking, "Why does Deer Creek Schools need a fundraiser of this size? Don't those items come out of the school budget?" The truth is, like many schools, Deer Creek has seen state educational funding decrease over the years, forcing the district to make up the difference, even as our student population continues to increase rapidly. Also, Deer Creek receives only a very small portion of its budget from federal Title money. This means our district relies on our local community to provide funding needed to create the best possible educational experience for our students.

Please consider participating in Creek Classic 2019 as a sponsor. We offer a variety of sponsor levels for many budgets, and each one comes with a great set of benefits. Attached you will find a sponsorship information sheet and a commitment form for you to review. If you have any questions, please contact Laurisa Miller at 405-395-3195 or [laurisamiller@dcsok.org](mailto:laurisamiller@dcsok.org). Thank you for your consideration.

Together, we make a difference for our students,

Ranet Tippens  
Superintendent, Deer Creek Schools
